Introduction To Accessible Media Content Production Program

We are pleased to announce that our second cohort will be starting at Mohawk this month on January 19th, 2021. Our first cohort was a huge success, In fact while still in the program those individuals have more to look forward to!

The future of accessible media content will follow standards set under the Information and Communications guidelines in the **Accessible Ontario Disability Act (AODA)**. The deadline for website accessibility has past. Companies with over 50 employees are now required to offer visual contrast, resizing of font, and images of text to meet the WCAG 2.0 'distinguishable content' standard. great. Criteria is to have a residence in the Peel, Hamilton or Halton regions and to identify as a person with a Disability. Just simply forward your resume to **Frank Sroka** at: frank@owlware.com
